RE: SPONSORSHIP PROPOSAL – SUMMER HOUSE MACKAY

We are pleased invite you and your business in a great opportunity to become a Sponsor of Summer House Mackay, an Early Learning Centre for children with disabilities. We have a package to suit any business budget, with 5 packages ranging from \$1,000-\$10,000. We've already secured 3 major sponsors – Dalrymple Bay Coal Terminal, McDonalds, and Commonwealth Bank via their Centenary Grants Program. We aim to raise \$140,000 by April 2020 to make the centre safe, fit it out and furnish it. We humbly request your mutually beneficial assistance.

We have secured a great council owned building and committed to a 5 year lease, with the option to renew. All Abilities Mackay began operating in 2011 via Mackay PCYC, and formalised its Charity status in 2013. We are made by the people, for the people, and as such we have a unique understanding of where the gaps in services lie, and we work hard voluntarily to fill those gaps to assist families and their loved ones.

Over the years we have operated out of the founder's home, yet we have managed to make a vast impact with minimal outlay. We are in touch with over 300 local families and their loved ones with diagnosed disabilities, and have conducted many workshops, fundays, programs and playgroups. Its now time we expand our services into a fit for purpose building we can run programs all week round and employ staff to do so. Please see our Sponsorship Proposal Attached, which provides further information.

Mackay is lucky to have so many wonderful disability support organisations, therapists and allied health professionals, however the programs we intend on running aren't currently available anywhere in Mackay. We understand what will help our members best, and the best way to deliver programs.

Summer House will be an asset to everyone in our community; I encourage you to search the many videos, photos and posts on facebook by finding our public page or searching #SummerHouseMackay. While you're there, please read our reviews to understand our impact.

I hope you decide to be a part of this heartwarming opportunity. I welcome your contact at any time directly to discuss how your business might like to be involved in creating this space for Mackay locals.

Kind Regards
Bec Nicol
Founder/Secretary
